

February 4, 2022—NRHS Wisconsin Chapter Annual Business Meeting Minutes

All of the agenda item numbers below refer to the agenda published on our Chapter web site, and forwarded via e-mail to all members on Thursday, February 3, 2022. This was our first hybrid (in-person and Zoom) formal business meeting.

Agenda Item 1—Welcome and Call to Order

Vice President Keith Schmidt greeted everyone at 7:30 pm. He began recording the meeting at 7:31 pm. He then put the agenda up on the screen. He called the meeting to order at 7:33 pm. We had 42 computers connected then. A few of those had two people watching. There were 19 people in the physical meeting space, in the basement of the North Shore Congregational Church in Fox Point.

This is the annual formal business meeting. It is longer and more formal than our usual monthly meetings. We try to keep the business meeting brief. As always, business meetings are for members only. Only dues-paying members of NRHS National and the Wisconsin Chapter are allowed to vote on or discuss Chapter business. While we appreciate the subscribers support, National rules state that they are only receiving copies of *Sparks & Cinders*, and are not members. Subscribers and guests were asked to only listen to and observe the business meeting.

Agenda Item 2—Introduction of Current Officers and Board

Vice President Keith Schmidt began by introducing himself to all of those present. He was in the physical meeting room at the church. President Mike Yuhas was on board a cruise ship in the Caribbean Sea. His pre-recorded video address on the State of the Wisconsin Chapter will be played later in this meeting. Keith then introduced Treasurer Tara Grudzielanek (also present in the physical room). He then introduced Secretary Tom Marcussen (attending via Zoom), who waved at his web camera. He last introduced the rest of our board, composed of five at-large Directors— Dan Grudzielanek, Ralph McClure, Andrew Roach, Cathy Wegner, and Neal Wegner. All were present at this meeting. Some of these were in the physical room, and others were on Zoom. All of the above incumbents are running for re-election.

Agenda Item 3—Confirmation of Quorum

We had 66 paid-up dues-paying members (both National and Chapter dues) as of Friday, January 28, the latest record that is available. A quorum is 5 per cent of that number, which works out to at least 4 members. We had well in excess of that number present. The meeting could proceed.

Agenda Item 4—Minutes of Last Meeting

The last previous formal business meeting was held on Friday, January 8, 2021. It was conducted via Zoom only. A shortened summary of that meeting's minutes was published on page 3 of the February 2022 issue of *Sparks & Cinders*. The full minutes were posted on our Chapter website. Keith Schmidt asked if there were any comments or additions. There were

none. There was a motion and a second, from the physical meeting room, to approve the minutes as published. No one offered any discussion. The motion and the minutes were approved by unanimous vote. There were no “nay” votes.

Agenda Item 5—President’s Remarks

We played a pre-recorded 8 ½ minute State of the Chapter address from President Mike Yuhas.

We currently have 159 members and other subscribers to *Sparks & Cinders*. That is probably an all-time record. Twenty-nine (29) of those had not yet renewed for 2022, as of the date of recording. Forty-eight (48) per cent of the number above are also National members. The latest edition of *Sparks & Cinders* was mailed to a total of 21 US states. That is also an all-time record.

Much of this growth is due to our new ability to offer on-line and hybrid meetings—not requiring physical travel to Fox Point. We invested about \$2000.00 in improved audio-visual equipment. That allowed us to offer the same high-quality experience to remote attendees as those physically present get—during our new hybrid meetings. Mike expressed his particular appreciation for the members who donated about \$2200.00 to our audio-visual equipment fund, which then exceeded the cost of the new equipment by about \$200.00. These donors are listed on Page 4 of the February 2022 issue of *Sparks & Cinders*. We started doing remote Zoom meetings on May 1, 2020, and hybrid meetings on September 10, 2021. Our hybrid meeting skills have been rapidly improving from where they were at first. We have been averaging about 20 in-person and 80 remote attendees per hybrid meeting.

We have also been offering virtual slide shows, with 5 presentations each, on the third Tuesday of each even-numbered month, starting on October 20, 2020. These have been well received and attended. We have been getting much better at those as well.

Our latest on-line offering is highly informal virtual railroad Gab Fests, on the second Friday of each month that has a regular meeting. These just started on December 10, 2021.

We had two in-person special events in 2021—an East Troy trolley ride and shop tour on Saturday, July 31, and a visit to the private Christopher Transportation Museum on Saturday, November 13. Several more similar events are being considered for 2022. We are looking to return to our annual chapter banquet. Ralph McClure will be covering that later in this meeting.

Agenda Item 12—Chapter Elections

All incumbent (2021) officers and directors (see Agenda Item 2 above for list) are running for re-election in 2022. We are not aware of any other candidates. Vice President Keith Schmidt stated that each office would be addressed individually.

He asked for any other nominations (besides incumbent Mike Yuhas) for President. There were none. All of the incumbents above were re-elected for another term in 2022.

Agenda Item 13—Anything Else for the Good of the Order

Vice President Keith Schmidt announced that we will be trying to return to the private Christopher Transportation Museum for a picnic in the late spring or early summer. We are trying to move the banquet to the fall—for 2022 only.

Next month’s presentation, on Friday, March 4, will be from Alan Freed. He will offer the highlights from his 1000-mile early August 1980 tour of the Milwaukee Road Pacific Extension, from Miles City, Montana to Cedar Falls, Washington, on a reconditioned 1952 M-19 Fairmont speeder. Operations had ceased on March 31, 1980. All of the rails were then still in place.

We will be holding a third on-line Railroad Gab Fest on Friday, February 11. There will be an on-line slide shown on Tuesday, February 15, featuring the work of:

- Jerry Pyfer—Illinois Central Gulf—Tales of the Freeport (Illinois) District
- Dan Grudzielanek—SD40-2 Tribute
- Jeff Wojciechowski—2020 Out West
- Erik Lindgren—Winter on the Front Range (Colorado)
- Erik Shicotte—to be announced

Agenda Item 14—Adjournment

Keith Schmidt announced that he would entertain a motion to adjourn the formal business meeting. There was a motion and a second from the physical meeting room. All voted “aye.” There were no “nay” votes. The motion carried. The official business meeting was declared adjourned at 8:00 pm.

A short 5-minute break followed.

Presentation

Long-time member Tom Hoffmann took over at 8:06 pm. Tom treated us to his highlight slides from 2001. “Twenty Years Ago” has been a long-standing annual tradition at our meetings. Dave Nelson recently digitized the 2001 slides so that the tradition could continue in a hybrid meeting format. The 2001 slides were mostly from Wisconsin and other nearby Midwest states. There were a few from Colorado, Utah, and California.

Attendance held at about 50 computers throughout the presentation. There were 19 attendees in the physical room in the church basement.

The presentation ended at 8:54 pm.

Virtual Post Meeting

Ward Wells took over as our remote host, after Keith Schmidt stopped recording, at about 9:00 pm. That way remote members could continue conversing, while allowing in-person attendees to clear out of the church basement at a reasonable hour.

Respectfully Submitted
Thomas W. Marcussen
Wisconsin Chapter Secretary
